

# DR. BOB JONES,

THE INTERNATIONALLY KNOWN EVANGELIST AND THE FOUNDER OF THE BOB JONES COLLEGE OF CLEVELAND, TENNESSEE, SAYS:

"Since the Bob Jones College has high educational standards, and at the same time stands without apology for the absolute authority of the Bible, and since its growth has probably never been paralleled by any other educational institution in the first twelve years of its history, and since the college is the home base of what is probably the most highly organized fighting campaign for evangelical orthodoxy ever undertaken by any other single educational institution in America; naturally certain antagonisms are aroused, and some false rumors are circulated. For this reason we desire from time to time to acquaint our Christian constituency with the facts concerning the institution. So, please read carefully the following statements. We would also like to have the daily prayers of orthodox Christians. Remember, the Bob Jones College is *a corporation not for profit*. It does not belong to me, and it does not belong to my son, Dr. Bob Jones, Jr., who is acting president. We are in this business for the good we can do and for no other reason."
